

Wings™ Hook & Loop 3D Adult Briefs

Wings™ Hook & Loop 3D Adult Briefs Featuring Dual-Air System Technology

In response to input from clinicians and caregivers, Covidien has leveraged its experience in the absorbent hygiene industry to bring advanced technologies to the adult brief market. Wings™ Hook and Loop 3D Adult Briefs have combined innovative design and development elements, the result of which is a dignified solution for incontinence care.

Design

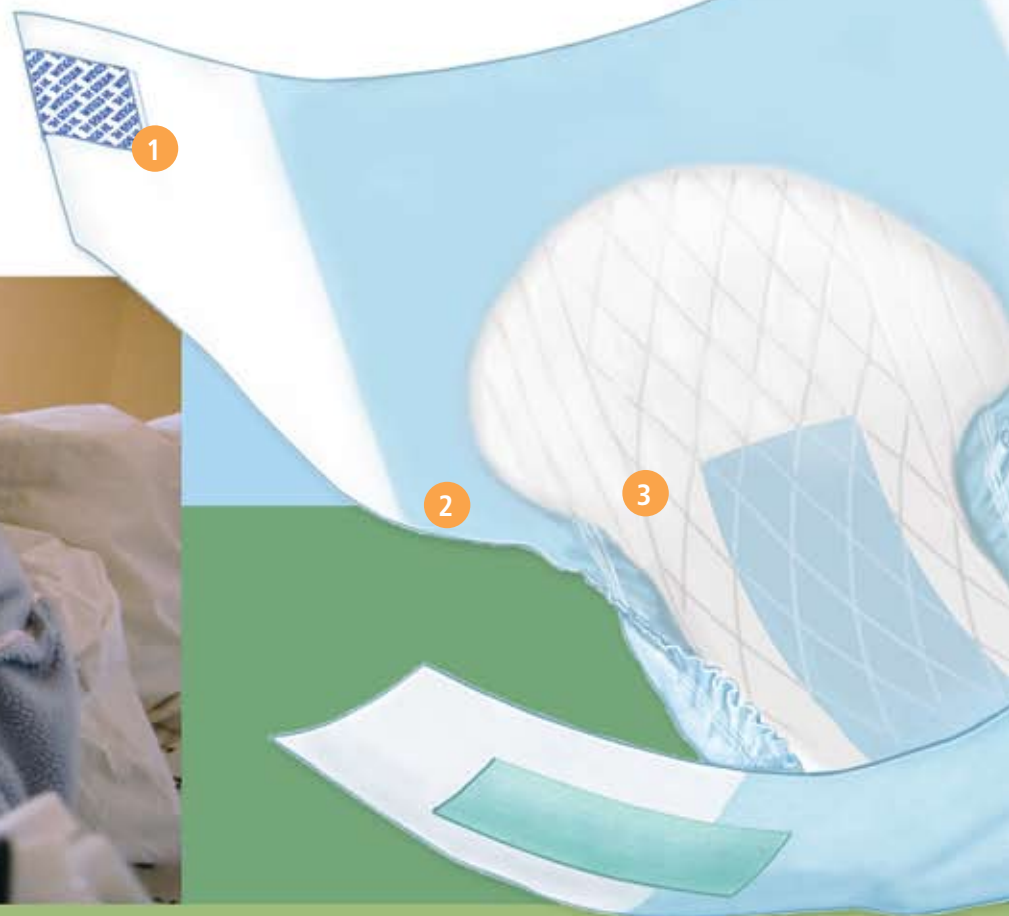

- Customized underwear-like fit
- Soft, cloth-like backing
- Easy-to-use single-tab hook and loop fastening

Development

- Improved fluid management
- Drier skin for minimized irritation
- Odor-free protection

Dignity

- Reduced accidents
- Improved skin wellness
- Enhanced quality of life
- Discreet, "Quiet" performance

1 Single Tab Technology

- Oversized Hook and Loop tab
- Easy on / off handling
- Robust attachment resists pop-offs

2 Comfort Fit

- Customized Comfort Fit
- Higher leg cut-outs for underwear-like fit
- "Gasketing Effect" reduces leakage

3 Anatomically Contoured Mat

- Co-mingled polymer and fluff for odor-free protection
- High performance apertured blue dryness strip keeps skin drier for improved comfort and outcomes
- Diamond Linear Channeling wicks away moisture for improved comfort and skin protection

4

4 Air Permeable Side Panels

- No plastic
- Allows air to pass through, keeping skin dry, cool and comfortable

5

5 Cloth-like Backing

- Cloth-like backing is ultrasonically bonded for "quilted" look and feel
- Soft and quiet
- Enhanced comfort and dignity

The Dual-Air System

Covidien's innovative Dual-Air System features plastic-free nonwoven wings that increase the exposure of skin to the air. This breathable construction combines with a higher-cut leg opening to maximize patient comfort and protection.

The Dual-Air System provides up to 80% more air-skin contact per leg

- "Customized Comfort Fit" means less material than a traditional-style brief, leaving up to 40% more skin open for direct air contact
- Unlike traditional-style briefs, air permeable side panels have no plastic; this "breathable" area allows up to 40% more air-skin contact

**Wings™ Hook & Loop 3D
Fastening Provides the
Following Benefits:**

Right Size/Right Fit

- Precision-placed landing zone ensures proper sizing
- Improved comfort, reduced leakage
- Cost savings from using “right” sized briefs

Refastenability

- Easy checks/adjustments
- No tearing of backsheets; cost savings

Not Impacted by Skin Care Products

- Hook and Loop retains fastenability, even after contact with creams, lotions and powders

No Adhesive to Contact Skin

- Hook and Loop tabs have no exposed adhesive, minimizing potential for blistering or other irritation

Wings™ Hook & Loop 3D Adult Briefs

| Item Code | Health Related Item Code (HRI) | HCPCS | Size | Qty/Pkg | Qty/Case |
