

Wings™ Bariatric Adult Briefs

Larger, Breathable Stretch Side Panels

- Stretchable side panels accommodate waist ranges up to 100"
- Stretchable material allows for a more custom, contoured fit
- Breathable side panels allow air to pass through, keeping the skin cool dry and comfortable

Cloth like Backing

- Ultrasonically bonded back sheet is soft and quiet for enhanced comfort and dignity

Improved Coverage

- New larger, anatomically contoured mat provides improved coverage for superior leakage protection
- Diamond and linear embossed core quickly channels fluid away from the skin for added dryness

Refastenable Tabs

- Two tabs per side attach anywhere to the front of the brief providing unlimited refastenability for easy checks and adjustments

NEW and IMPROVED!

Designed for the bariatric population—now stretches to 100"

The Wings bariatric adult brief has been fully redesigned to deliver enhanced fit, coverage, and leakage protection. Improved stretchable side panels not only provide a superior, contoured fit, they also accommodate waist ranges up to 100". The new anatomically contoured mat has been redesigned for increased coverage and leakage protection. And best of all, all of our adult briefs are made right here in the U.S.A. from state of the art materials that promote superior performance and wetness protection.
